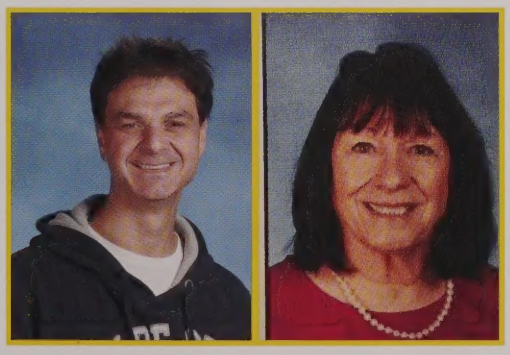
The Seniors Dedicate This Yearbook To...

Mrs. Gillen

Thank you, Mrs. Gillen, for guiding the Class of 2020 student governments these past four years! Your efforts with planning Prom 2019, the Junior Auction, and the Senior Class Trip has made our high school experience unforgettable!

Dale Rector

The Class of 2020 thanks you for all of your time and hard work here at LHS. Your dedication has made a huge impact and we hope you have a wonderful retirement!



Mr. Christy & Mrs. Nolan

Thank you for guiding the Class of 2020 during these past four years! It has been an honor having your support and words of encouragement while making our next steps towards college.

Mr. Orzech

From an extraordinarily successful "Mr. LHS Pageant" to the twenties-inspired yearbook, the senior class thanks you for all of your innovative ideas and guidance with Yearbook Club this year!

Scooby, Scoobs, Scoob,
We know you have been *dreamin'* of the adventures that are to come as you create your own path in the world. You will head off in *one direction* in the fall, but we know that your open mind and heart will lead you to explore many new opportunities. We are so proud of you, and we have loved
all the shine of a thousand spotlights
as we have watched you dance and grow into
a beautiful woman inside and out.

We *hope you dance* and *always stay humble and kind.*
And don't you ever forget that
somebody loves you.
We will always

Dear Class of 2020

Well ladies and gents we did it (at least I think we did, I´m writing this during quarantine). It sure as heck has been a fun 4 years. We had a bunch of good times and made memories that will last a lifetime, and, who knows, maybe even learned a few things along the way. I would like to thank ya´ll for letting me be your president these last 2 years. It sure has been pretty fun. Over the past 4 years we learned a lot of stuff outside the walls of LHS - like plenty of fun nights taking long walks through the woods, and who knew hitting a knee with a yellow pad would dislocate it. I would also like to take this opportunity to thank Mrs. Gillen for helping and guiding us these past 4 years. We all appreciate it very much. And to the rest of LHS: have fun for the next couple of years. Everything will work out, don't work too hard.

Your faithful leader
Noah ¨esse¨ Graham

Dear Senior Class...

Close your eyes and imagine that you are in the high school cafeteria. You see parents, teachers, friends you've had for twelve years, grandparents, cousins, and neighbors. You see that the cafeteria has been transformed into a lovely reception with beautiful decorations and with many delicious desserts and tasty appetizers on two long tables. You open your eyes and realize you made it to the end of your senior year. You are at your senior send off. You can't believe that you're amongst so many people and that feels so wonderful. You're hugging all of your friends, grandparents, cousins, parents and teachers. Yes, you are really hugging them! You can't believe that life is back to normal and it feels so good. You think back to the time when you couldn't see or hug all of these people and realize how much you have to say to them, how grateful you are to have them back in your life and how resilient you have become.

Seniors, you are resilient. You have proven time and time again that you can overcome any obstacle, battle or quarantine. Your senior year was an unprecedented year but you have overcome the challenge and you made it. You made it to the end of your education here at Littleton. Maybe this year felt like it was the longest and most challenging academic year in your twelve years of education, but maybe there was a deeper reason for that. You are now prepared and ready for the unimaginable, the unthinkable. You are ready for college, the military, a gap year, for travel or for work. Believe in yourself and know that no matter what lies ahead, you are resilient, strong and determined. You will not give up, because you are the Class of 2020 and you can do anything! Best of luck to all of you and I wish you the very best!

Love,
Mrs. Sra. Gillen

Yearbook Club would like to say...

It has been an absolute honor to work on the 1920s inspired Yearbook for the Class of 2020. While it was very unfortunate that our year was cut short, we want to thank Mr. Orzech for continuously building creative designs, putting so much time into every detail, and giving us creative freedom these past few days. He has made such a huge impact at LHS during his first year and we cannot wait to see what changes come next!

We would also like to thank Mr. Comeau for supporting this program and, hopefully, introducing a Yearbook course for next year. Also, Walsworth has been a wonderful partner to work with and we are excited to see what next year's class designs!

Thank you!

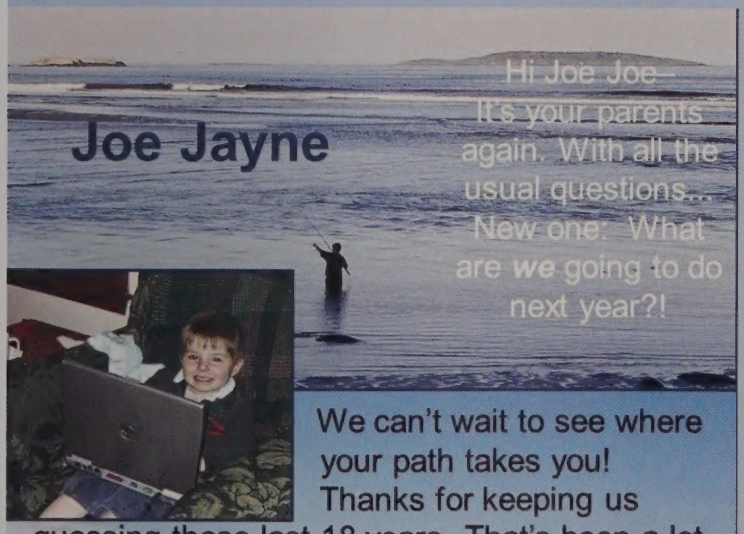
All My Love- Dada XOXO

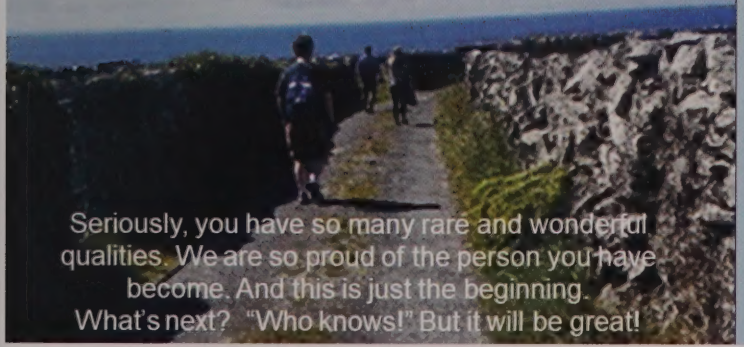
Clare.

Congratulations on all your accomplishments! You are an inspiration with your work ethic and determination. Whether it's moving up in the equestrian world from being very nervous about riding to reaching the top division in your sport or your academic achievements going from struggling in the early grades to AP classes and honor role, you do it all with grace and a can-do spirit. We are so proud of you and the awesome young lady that you have become. Can't wait to see what the future holds for you.

Love, Mom, Dad and Kyle.



We can't wait to see where your path takes you! Thanks for keeping us guessing these last 18 years- That's been a lot of fun!! Ha Ha!!



Seriously, you have so many rare and wonderful qualities. We are so proud of the person you have become. And this is just the beginning.
What's next? "Who knows!" But it will be great!

To All The Tigers,

CONGRATULATIONS!

We know you will make this world better, and we can't wait to see it.

A Continent Fired Up

Smoke billows rise as fires ravage Australia. Wildfires burned over 28 million acres, killing dozens of people and destroying thousands of homes. Over a billion animals, including one-third of the koalas in New South Wales, died in the devastation and the smoke was visible from satellites in space.

Democrats Republicans

Racing Toward 2020

Presidential candidates campaign full force ahead of state primaries and caucuses. President Donald Trump officially kicked off his re-election campaign, while the Democratic Party saw more than two dozen run. It was the largest and most diverse pool of candidates to date, with record numbers of females and people of color at ages ranging from 37 to 78.

Major party candidates as of November 2019

Family First

Prince Harry and Meghan Markle, the Duke and Duchess of Sussex, announce they will step back as senior members of the royal family. The couple spoke publicly of the stress of negative media attention and lack of family privacy following the birth of their son, Archie, even suing a British tabloid. They planned to split their time between the U.K. and North America and move forward financially independent from the Crown in order to begin new charitable endeavors.

I'm a VSCO girl in a VSCO world

VSCO girl fashion necessitates staples like scrunchies, hydro flasks, Vans shoes, friendship bracelets, coiled hair ties, oversized T-shirts, cowrie shell necklaces, Fjällräven Kånken backpacks, chokers and lip balm. Named for the popular photo app, VSCO girls became a defining teen trend. The name also served as an identity of sorts for those who embraced it.

Orange Pride

The University of Tennessee mascot wears the shirt that became a national sensation after a story of a young boy bullied for wearing a hand-drawn UT paper on an orange shirt for his school's college day went viral. UT made his design into an official shirt that sold out within minutes, with profits going to an anti-bullying organization. The university offered him a four-year scholarship.

Hong Kong protests

Over 800,000 Hong Kong residents marched in the streets in December during the Civil Human Rights Front Human Rights Day March. The pro-democracy march was the largest to date in the ongoing feud between Hong Kong and mainland China. Protesters called it a last chance for China to meet their demands for human rights.

Modern History

Plans for restoration begin immediately following the fiery blaze that consumed Notre Dame Cathedral in Paris while the world watched in horror. While disagreements ensued over the best plans to restore the 900-year-old cathedral, large and small donors pledged $960 million toward it. The government stated repairs would be completed in five years.

Desperate Admissions

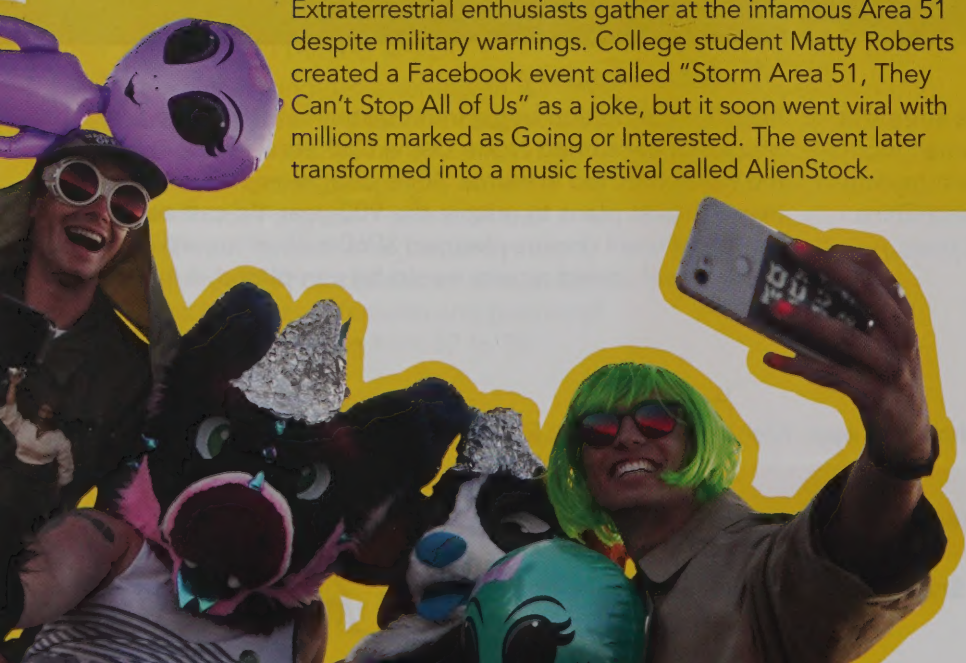
Actress Felicity Huffman and her husband William H. Macy walk out of her sentencing hearing. Huffman and fellow actress Lori Laughlin were among the parents and coaches indicted in a college bribery scandal that alleged parents paid a consultant to alter test scores or attempted to pass their children off falsely as athletic recruits to gain admissions. Huffman was sentenced to 14 days in prison.

Cruising to the Rescue

Royal Caribbean's cruise ship Mariner of the Seas hosts victims of Hurricane Dorian in the Bahamas. Refugees received shelter, food and transportation after the city of Freeport was devastated by the hurricane in September. Royal Caribbean and many other companies donated to disaster relief organizations to rebuild the area.

Desert Storm

Extraterrestrial enthusiasts gather at the infamous Area 51 despite military warnings. College student Matty Roberts created a Facebook event called "Storm Area 51, They Can't Stop All of Us" as a joke, but it soon went viral with millions marked as Going or Interested. The event later transformed into a music festival called AlienStock.



Pawsitive News

After decades of Breed-specific Legislation (BSL), many cities begin lifting bans on pit bull breeds, meaning more get adopted from shelters into fur-ever homes. Hundreds of cities adopted BSL beginning in the 1980s when pit bulls were portrayed as dangerous and aggressive, sometimes banning dogs that even had a resemblance to the breed. As residents, animal advocacy groups and dog owners spoke up, the tide of public opinion began to shift.

A Life Remembered

U.S. Representative Elijah Cummings of Baltimore becomes the first African American lawmaker to lie in state at the U.S. Capitol. Cummings, who served in Congress since 1996, died in October from long-standing health complications. He was the son of sharecroppers who became a civil rights leader admired by both sides of the political aisle.

Brexit Stage Left

Workers remove the United Kingdom's flag outside of the European Parliament in Brussels, Belgium, as they officially leave the European Union (EU) on Jan. 31. The country first voted for Brexit, as Britain's exit from the EU was coined, in 2016 by a narrow margin, leaving the kingdom bitterly divided. The removal was delayed numerous times when Britain and the EU failed to reach a trade agreement that received enough votes in British Parliament to pass.

It's Time

At the last second, four ladies exit their Breakout KC escape room and celebrate. Escape rooms became so popular that Merriam-Webster added it as an official dictionary entry in September. Other words added included dad joke, vacay, deep state, inspo, stinger and the non-binary pronoun they.

Year-end Jonas

The Jonas Brothers arrive back in the spotlight, reuniting after five years apart. Joe Jonas married Sophie Turner, and the Jonas Brothers' #1 hit song "Sucker" featured the Jonas ladies in the music video. Amazon Prime released the Jonas documentary *Chasing Happiness*, Nick Jonas starred in *Jumangi: The Next Level*, they won several awards for their album and were nominated for a Grammy.

Box Office Magic

Frozen II becomes the sixth Disney film of 2019 to reach $1 billion worldwide at the box office, with *Star Wars: The Rise of Skywalker* the seventh. *Avengers: Endgame*, which made over $2 billion and was the highest-grossing movie of all time, along with *Toy Story 4*, *Aladdin*, *Captain Marvel* and *Lion King*, helped Disney shatter previous records. By July, Disney had already broken its previous annual record of $7.61 billion set in 2016.

Watch Me

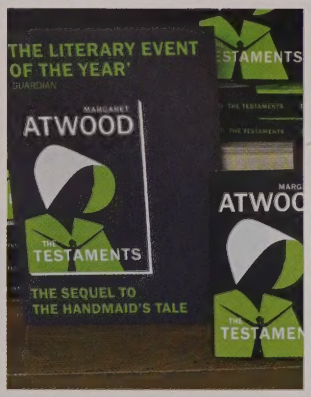
The March sisters charm audiences in Greta Gerwig's new film adaptation of *Little Women*. This year, Hollywood saw *The Joker* and Quentin Tarantino's *Once Upon a Time... in Hollywood* garner attention and acclaim while Marvel movies like *Spider Man: Far from Home* were big at the box office. Streaming services like Netflix flexed their powers with heavyweight stars like Robert De Niro in *The Irishman*, Scarlett Johansson and Adam Driver in *Marriage Story* and Aaron Paul in *El Camino*, a follow-up movie to the series Breaking Bad.

POPULAR social media influencers THIS YEAR

- **Sam and Colby** — Two friends from Kansas become famous on Vine before shifting their comedy videos to YouTube. Their specialty became videos in which they spent the night in abandoned locations, and their videos racked up nearly 400 million views.
- **David Dobrik** — Leader of the popular YouTube group The Vlog Squad, made up of stars who made it big on Vine, Dobrik and The Vlog Squad end the year with more than 14 million YouTube subscribers.
- **Emma Chamberlain** — A new school Generation Z star with 8.5 million subscribers on YouTube, Chamberlain gains her audience by posting candid vlogs about teen life.

The Tale Continues

The Testaments, a long-awaited sequel to *The Handmaid's Tale*, displays in a bookstore window. Goodreads voters chose *Five Feet Apart* by Rachel Lippincott as the best young adult fiction book of 2019. Other popular books were *On the Come Up* by Angie Thomas, who wrote 2017's *The Hate U Give*, and *With the Fire on High*, a novel written in prose by Elizabeth Acevedo.



Streaming Disney

"Baby Yoda" becomes an internet sensation after the release of Star Wars spin-off *The Mandalorian* on Disney's new streaming channel, Disney+. In November, Star Wars, Marvel, Pixar, Disney titles and original content became available exclusively on Disney+. Over 10 million subscribed the first day.

Breakthrough Year

Singer Billie Eilish, 18, makes history as she sweeps all four major categories at the Grammys – Best New Artist, Song of the Year and Record of the Year for "Bad Guy," and Album of the Year. Eilish was the youngest artist to win Album of the Year, the youngest to ever win all four, and is only the second artist to win all four in a single year. Her debut album *When We All Fall Asleep, Where Do We Go?* was one of the best-selling of the year and also won New Artist of the Year and Favorite Alternative Artist awards at the American Music Awards.

Historic Wins

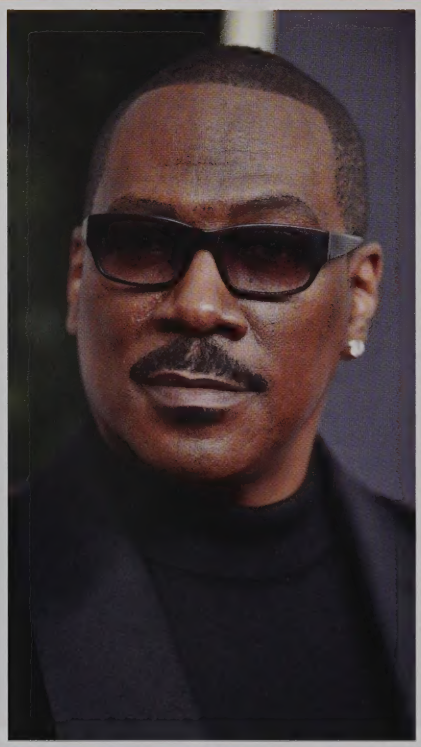
So-dam Park and Woo-sik Choi huddle together in *Parasite*. Bong Joon Ho's film won for best original screenplay, best director, international feature film and the highest honor, best picture – the first non-English film to win best picture. *Joker* composer Hildur Gudnadottir became the third woman to ever win best original score, *Jojo Rabbit's* Taika Waititi became the first indigenous director to win an Oscar and Barack and Michelle Obama's Higher Ground Productions won best documentary for *American Factory*.

Now Listen Here

People like news, at least the people who listen to podcasts seem to. News podcasts *The Daily*, by *The New York Times*, and *Up First*, by NPR, topped the podcast charts in 2019. Among younger audiences, *Life is Short with Justin Long* and true crime podcasts like *My Favorite Murder* retained their loyal audiences.

Better Than Ever

Comedian Eddie Murphy poses for media outside the 77th Golden Globes in January. Around the holidays in December, Murphy hosted *Saturday Night Live*, returning to the show where he became famous for the first time in nearly 35 years. The episode Murphy hosted was the most watched SNL in more than a decade.



Jennings the G.O.A.T.

Past *Jeopardy!* champions Ken Jennings, James Holzhauer and Brad Rutter playfully pose for pictures in January for their national TV event – the *Jeopardy!* Greatest of All Time tournament. Considered three of the best players in the game show's history, the trio competed over four nights and drew huge TV ratings. Jennings, who still holds the record with 74 straight wins on the show, won the tournament by becoming the first player to get to three wins.

More Progress

Chinese-American actress Awkwafina stops for photographers at the *Jumanji: The Next Level* premiere in December. As Asian representation in Hollywood continued to be a hot topic, Awkwafina's rise to stardom became a focus of the discussion. One year after her hit *Crazy Rich Asians*, she starred in *Jumanji: The Next Level* and the critically acclaimed *The Farewell*, which earned her a Golden Globe.

Worldwide Hit

Justin Bieber and Ed Sheeran take time for a photo before Sheeran performs a concert in London. Bieber and Sheeran recorded a song, "I Don't Care," as part of Sheeran's latest album, *No. 6 Collaborations Project*. The song reached No. 1 on the pop charts in 26 countries.

Quite a Decade

Pop star Taylor Swift performs at a concert in London in December. Earlier in the year, Swift released her seventh album, *Lover*, and it debuted at the top of the charts with nearly a million units sold the first week. The lead single off the album, "Me!" was nominated for Song of the Year at the Grammys, and Swift received Artist of the Decade at the American Music Awards.

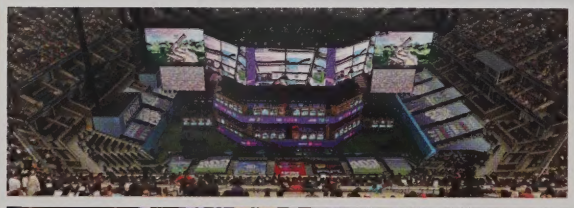
Center Stage

Thousands turn out to watch the first ever Fortnite World Cup in July at Arthur Ashe Stadium in Flushing, New York. Kyle Giersdorf, a 16-year old from the Philadelphia area also known by his gamer name "Bugha," won the Solo event in the video game contest, taking home a $3 million prize. An estimated 2.3 million viewers watched the final event online.



A Shocking Loss

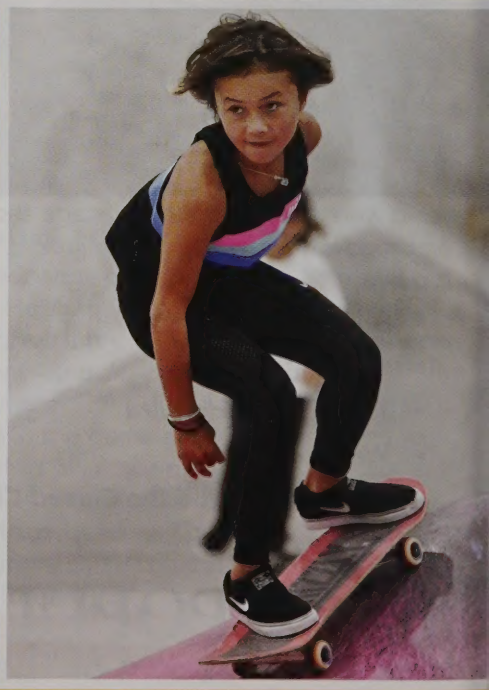
A tribute to retired basketball star Kobe Bryant displays outside the Staples Center in Los Angeles. Bryant, a five-time champion with the L.A. Lakers and 18-time NBA All-Star, was one of nine people to die in a helicopter crash on Jan. 26 in Calabasas, California. Bryant's 13-year old daughter, Gianna, was also killed in the crash.

50 Years in the Making

Kansas City Chiefs quarterback Patrick Mahomes (15) throws a pass while eluding San Francisco 49ers defensive end Arik Armstead (91) during the second half of Super Bowl LIV in Miami on Feb. 2. Mahomes rallied the Chiefs to a 31-20 victory, even after they trailed by 10 points entering the fourth quarter, and was chosen the game's MVP. It was Kansas City's first Super Bowl appearance, and victory, in 50 years.

Sky's the Limit

Sky Brown, an 11-year old British skateboarder, trains before a competition in Japan. Brown earned a high seed at the 2020 Olympic qualifying events for skateboarding, one of five new Olympic sports. Brown planned to earn a spot on the British Olympic team in 2020, making her the youngest Olympian in at least a century.



Tigers on top

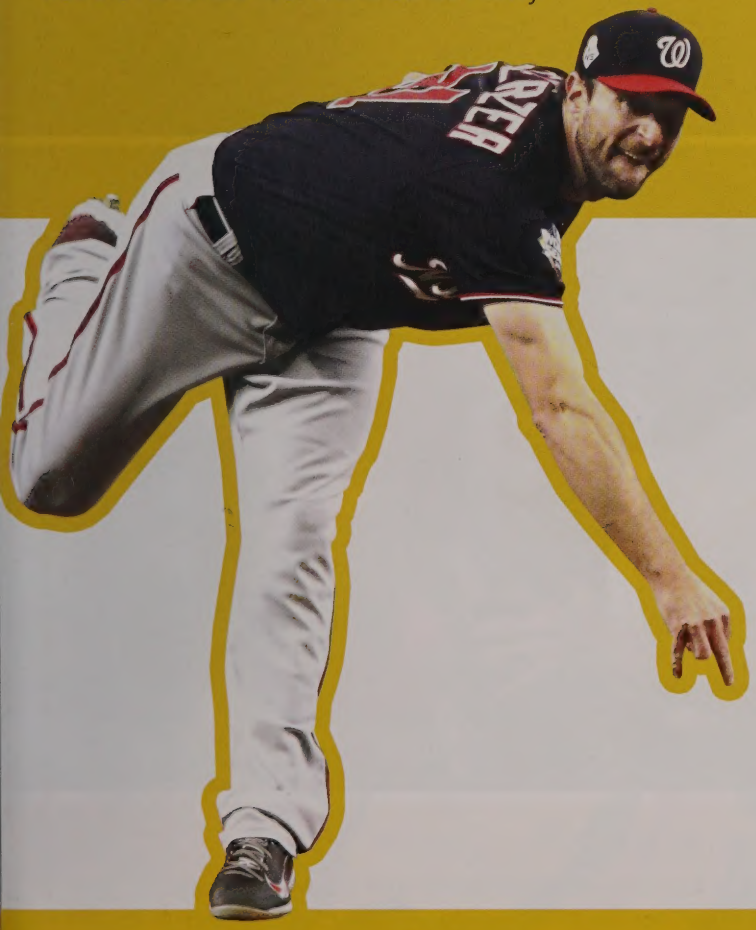
LSU quarterback Joe Burrow fires a touchdown pass against Clemson during the College Football National Championship Game on Jan. 13. LSU beat Clemson, 42-25, to win the fourth national championship in school history. Burrow, who also won the Heisman Trophy, finished off one of the greatest individual seasons in college football history with 463 yards passing and five touchdowns in the final game.

Sweet Victory

U.S. center Becky Sauerbrunn heads the ball clear against the Netherlands during the finals of the 2019 FIFA Women's World Cup in France. The Americans defeated the Netherlands, 2-0, in their second straight World Cup title. Team captain Megan Rapinoe was the leading scorer with six goals and was named Best Player.

Road Warriors

Washington Nationals pitcher Max Scherzer delivers a pitch during Game 7 of the World Series. The Nationals defeated the Houston Astros, winning the decisive game, 6-2. The series was noteworthy since the road team won all seven games for the first time, and it was the Nationals' first World Series victory.



It was a year for crazy, quirky records to fall in sports:

- In October in Vienna, Eliud Kipchoge of Kenya (above) runs a marathon in 1 hour, 59 minutes and 40 seconds. Breaking the two-hour mark for a marathon was previously thought unattainable.
- Nepali mountain climber Nirmal Purja successfully reaches the peak of the world's 14 tallest mountains within seven months. The previous record was more than seven years.
- Aries Susanti Rahayu smashes the women's speed climbing record by scaling a 50-foot wall in 7 seconds. The 24-year old Indonesian became nicknamed "Spider-woman."

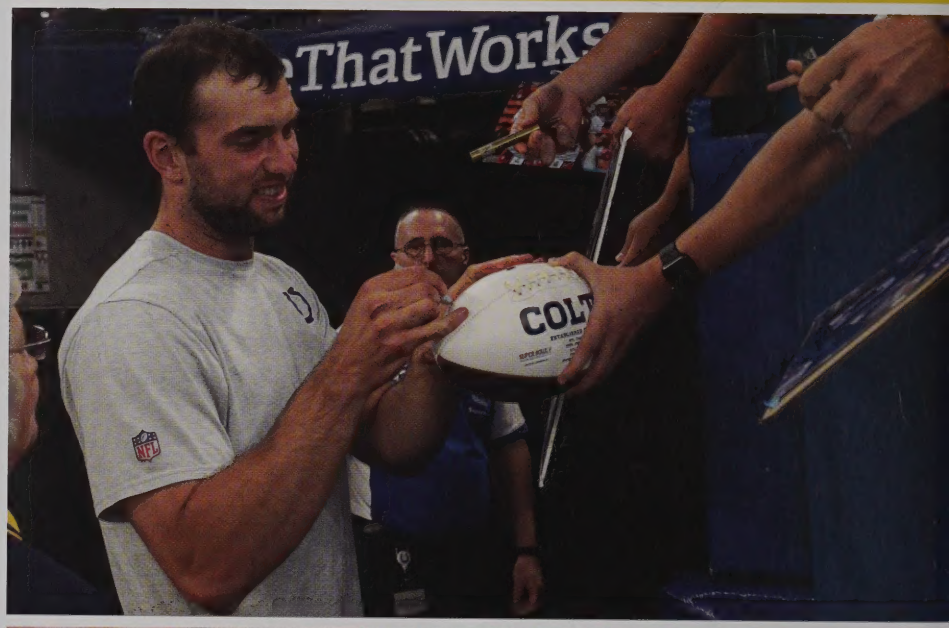
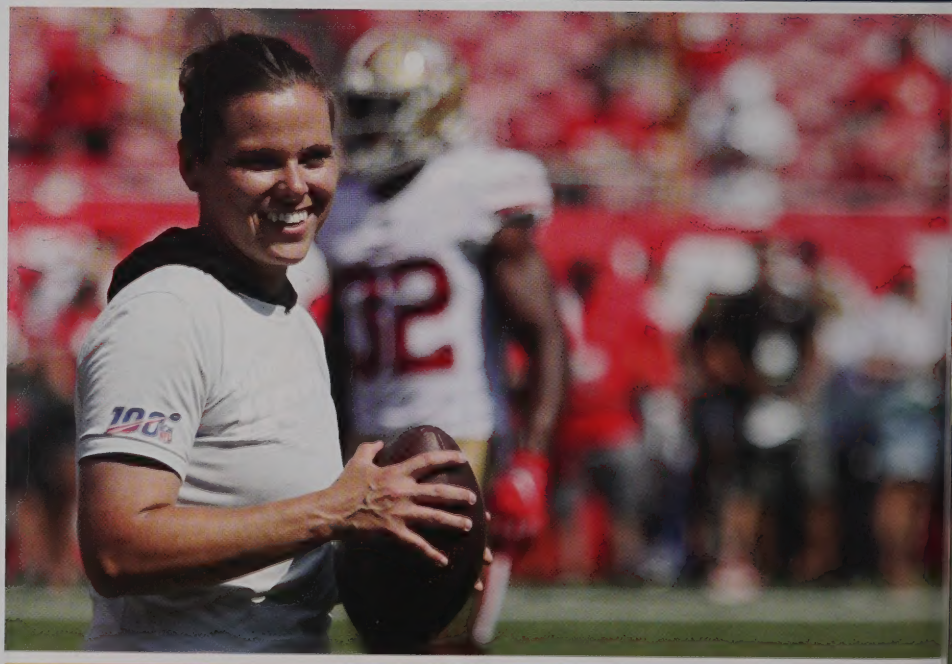
Out of Luck

Andrew Luck greets fans after announcing his surprise retirement in August. The NFL quarterback for the Indianapolis Colts was preparing for his seventh season when he made the decision to call it quits, citing the struggle from repeated severe injuries. Luck, still only 29 and a four-time Pro Bowl selection, was considered by some to be the best pro athlete to end their career during their prime.



The Road to 30

An ownership group led by British soccer star David Beckham meets with the media to announce their new Major League Soccer (MLS) team, Inter Miami CF. By the end of 2019, MLS had unveiled its plan to grow the league from 24 teams to its ultimate goal of 30. In addition to Miami, new expansion teams would be added in Nashville, Austin, Charlotte, St. Louis and Sacramento.



New Times in the NFL

Katie Sowers, a full-time assistant coach with the San Francisco 49ers, helps the team get ready before a game. The hiring of Sowers was part of a new trend by the 49ers and the NFL to get more women hired in to help lend the proper perspective to issues that impact women.

ATHLETES
of the decade

As 2019 passed into 2020, the Associated Press named tennis star Serena Williams and NBA legend LeBron James as its Athletes of the Decade. Other finalists included:

Men

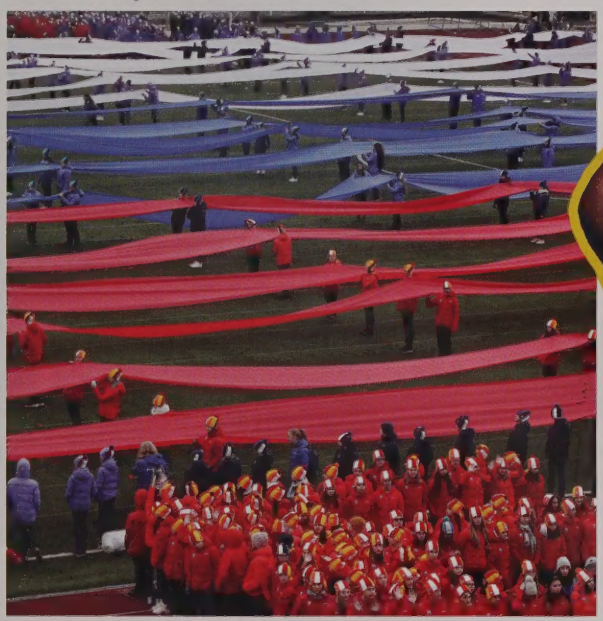
- Tom Brady
- Usain Bolt
- Lionel Messi

Women

- Simone Biles
- Katie Ledecky
- Lindsey Vonn

Paying the Price

Presentations of the Russian flag, like the one shown here at a children's camp in December in Crimea, won't be on display at the next two Olympic games after the World Anti-Doping Agency (WADA) banned Russian teams from competing due to repeated violations. Individual Russian athletes who pass the requisite tests will still be able to compete on their own.



King of the Court

NBA star Kawhi Leonard moves to the basket during a December game for the Los Angeles Clippers. The soft-spoken superstar took his place among the best in the game this year, leading the Toronto Raptors to their first NBA title in team history. Leonard then signed as a free agent with the Clippers and kicked off a rivalry with LeBron James and the cross-town L.A. Lakers.

A Year of Antitrust

Sundar Pichai, the CEO of Google parent company Alphabet, speaks at a press meeting in September. Attorneys General from 48 states, the District of Columbia and Puerto Rico announced an investigation into Google over possible antitrust violations. The Federal Trade Commission also fined Facebook $5 billion for privacy violations while the social media giant faced a separate antitrust probe, and both Amazon and Apple faced probes into alleged anti-competitive practices.

I Just Took a DNA Test

Turns out, your dog IS 100% that breed ... or not. The rise of DNA tests for dogs allowed curious owners to learn the ancestry of their pups from a simple saliva swab. The cost of these dog DNA kits ranged from about $60 up to more than $300.

Big Breakthroughs at a Molecular Level

Medical uses for CRISPR race ahead. Scientists at the University of Pennsylvania began using the gene-editing tool for cancer treatments, a Nashville woman was seemingly cured of her sickle cell disease and researchers at Locus Biosciences explored its ability to fight antibiotic-resistant "superbugs."

Crawl, Walk, Run, Trailblaze

A Girl Scout in California shows off her badges while walking in a local parade. The 107-year-old organization shook things up in 2019 with the introduction of 42 new badges girls can earn. The new badges encourage girls to explore STEM fields and outdoor activities.

Got Genetic Diversity?

Most dairy cows are related. Geneticist Chad Dechow traced most Holstein descendants back to two bulls from the 1950s and 1960s, Round Oak Rag Apple Elevation and Pawnee Farm Arlinda Chief. Dechow urged farmers to avoid future problems by encouraging gene variation.

1,000 Miles Above the Glass Ceiling

Flight Engineer Christina Koch takes a selfie on the International Space Station's first all-female spacewalk. She and fellow astronaut Jessica Meir successfully replaced a failed power controller on Oct. 18. The history-making spacewalk was rescheduled from March due to a lack of properly fitting spacesuits.

Going Viral

A Chinese health official takes the temperature of a quarantined woman in the Shandong province of China in February, checking for signs of the coronavirus. Over 75,000 were affected by February, and the death toll was higher than the 2002-2003 SARS outbreak, leading global health professionals worried it could turn into an international pandemic. Governments enacted quarantines, and airlines rerouted flights to specific airports for passengers to be screened for symptoms.

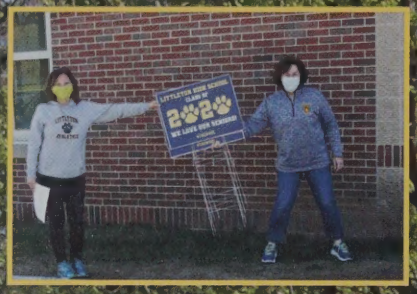
CLASS OF

WE LOVE OUR SENIORS!

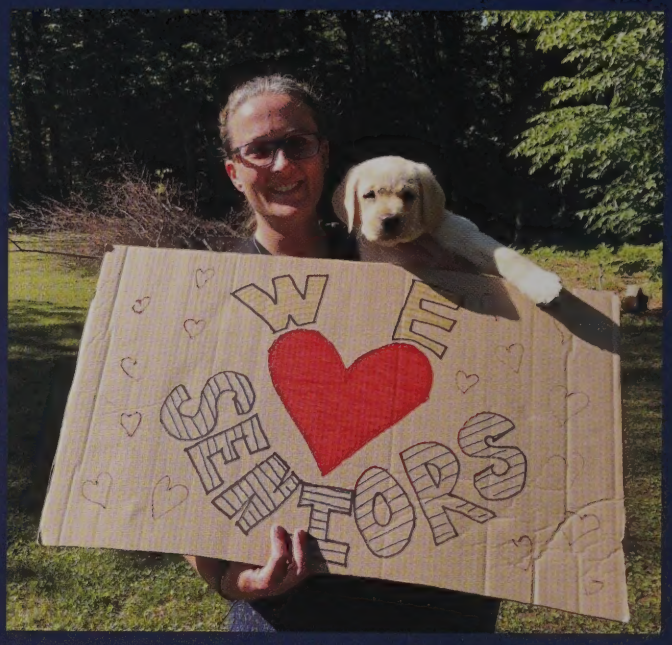


LHS Class of 2020: We Love You!

In a show of support for the class of 2020, all available LHS faculty members gathered at the high school on the morning of Thursday, May 7, to secretly distribute lawn signs to the homes of all seniors. Faculty members included: Dr. Harrington, Mr. Comeau, Nurse Porell, Mrs. Gillen, Mr. Foustoukos, Mr. Hirtle, Mr. Lynn, Mr. Miskinis, Mrs. Kern, Mrs. Landfors, Detective Janakos, Mrs. LeDuc, Mr. Orzech, Mrs. McCook, Ms. Gilmore, Ms. Dionne & Ms. Benullo (Apologies to anyone forgotten).

Seniors, We wish you the very best on your future journeys. We know this year was not the most ideal year but think of how fun kindergarten to now was and remember all of the great times you had with each other and take those memories with you. Don't let these past few months change who you are! Stay safe and stay strong!

- Mr. & Mrs. Gillen



Class of 2020, congratulations and best of luck on your next chapter in life. Remember that no matter where you go, LHS will be here for you if you need anything.

- Ms. Berlinger

Congratulations 2020 grads! It's been wonderful getting to know you over the years, and I wish you all the best going forward. To my homies: relaxing and chatting in our awesome advisory was a great way to start each school day...you will be missed. To my Chemistry/Physics crowd: you were amazing and fun students (one or the other? or both?!) and I'm so proud of your efforts and achievements in science. Wherever life takes you LHS grads, hopefully you will benefit from the academic and life learning of your days here, as we benefit from having had you in our lives.

- Ms. Sanford

You will be able to overcome these and any challenging times by staying true to yourself, building up your character, having the courage to reach out to one another, and bringing new people into your life. Always follow your heart and don't let anything stop you from achieving your dreams!

- Mrs. Bearden

Best wishes to the Class of 2020. Just remember the 3 DO's and you'll be just fine: 1) Do what is right! 2) Do your job! 3) Do your best! As always, Go Tigers!

- Mr. Lynn

Congratulations and best wishes as you start your own special and rewarding adventure. Appreciate the beauty in small things; wonder at the majesty of the world; add what is worthwhile, and take what is necessary; weave connections, and savor solitude; grow always. Fully live your journey. I am so proud of you.

- Mrs. LeDuc

Dear Class of 2020,

Every class has their own story, their own collective personality. What I love and admire about the Class of 2020 is that you are you. You are a group of strong, hardworking, compassionate individuals. You embrace your strengths and support one another. You are brave and bold. You are not afraid to be you, use your voice, and share it with the world.

I have had the privilege of watching you transition from young children to adults. I saw many of you bravely step onto the big yellow bus for the first time at Shaker Lane orientation, and I have had the gift of seeing you walk the hallways at LHS for four years. It has been an honor to cheer you on along the way.

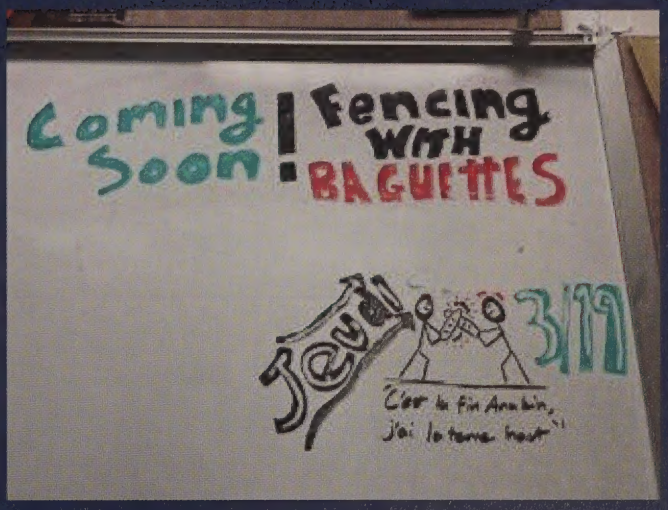
These last few months have been challenging, and I am truly sorry for the moments and traditions that you missed. But that is only the story of your last few months of high school. Your story is more than that. It is all the moments that you have shared together as a class over the years and all the new traditions that you have created and embraced. You are your own community, loved and supported by a larger community. Always.

I am proud of each and every one of you, and I wish you all the best as you celebrate your accomplishments and take the next steps in creating your own path. I am certain that the future holds promise because you are a part of it.

With love, respect, and support,
Mrs. Feudo

As you go forward, remember to take time to smell the roses, and to taste the beignets, the kouign amann, the bouillabaisse, the mini tatins d'artichauts . . . .

- Mme. Allison



POSTPONED.

NOT Cancelled...

You are amazing! Just think of all that you have managed to get through with grace, humor and resiliency. Wishing you all the best in your future endeavors. YOU GOT THIS!!!

- Ms. Harrington

To the class of the year! I am so proud of you all and even though our time was cut short, you are all forever forged in our hearts for having to endure and make it through such a time of turmoil and uncertainty. I am certain about this though..... YOU ALL will be successful and superheroes with the honor and with resiliency you all learned through your time with Littleton. Trust in your hearts and follow your own lead. Take on life head on and remember your home is here for you always.

Love you all kids! Keep in touch and stay safe.

- Mr. Christy

In the words of Mark Twain, "Challenges make life interesting, however, overcoming them is what makes life meaningful." Make life meaningful!

- Mr. Orzech

I wish we got to to say goodbye in person. I am rooting for you as you embark on your next chapter. I hope your time at LHS has served you well. I have appreciated how kind and thoughtful you have been during this difficult time. I miss your faces and the laughs we shared. I wish you all the best.

- Mrs. Kern

NATIONAL HONOR SOCIETY

Senior Introductions

Mackenzie Rock

As an NHS president, I think it's clear that Mackenzie Rock is one of the most hardworking and caring girls out there. And it is no surprise that she will be attending Rivier University to major in nursing and dedicate her life to the wellbeing of others. She will also be playing soccer there, a passion she's had ever since we were little kids. Mackenzie has fallen in love with LHS, and is thankful for all of the relationships she's formed here, both with students and staff. Like most of us, she loved Mrs.Steele for her compassion and dedication to her students. She has many fun memories from LHS like greeting Caitlin Feltus with "Good morning beautiful" daily in the hall, and fellow NHS member Brandon Witherell mistaking olives for grapes. Sadly, her most memorable experience along with her whole senior class will be the corona virus ripping their senior year apart. However, knowing Mackenzie since we were little kids makes me confident that she will make the best of the situation, and stay strong and positive just like she always has. Kenzie, I am so grateful to have grown up with you, and I will always look up to you as a role model, I wish you the best of luck in college!I know you'll do great things for the world.

- Written by Anna Nordhausen

Brandon Witherell

Brandon Witherell, NHS's treasurer, will be heading off to UMass Amherst next year, but will forever be impacted by his experiences here at LHS. Alongside soccer, basketball, lacrosse, and rigorous academics, he was a committed National Honor Society and Humanitarian Club member, where he discovered his passion of giving back to his community. Throughout his years at LHS, he always managed to make a positive impact on everyone around him. He will start his college adventure with the goal of helping others in mind, studying under the Isenberg School of Management, and hopefully one day starting a non-profit organization. Brandon has enjoyed his time at Littleton High School, making amazing friends and memories along the years. His energetic spirit and determination to help others is unstoppable and we can't wait to see what he does next.

- Written by Paige Hornbeck

Kriti Sharma

In her four years at Littleton High School, Kriti Sharma has become an accomplished leader and a compassionate friend. Kriti will major in architecture through a 5-year program at RPI, with a minor in human rights and genocide studies. She hopes to work with the UN on humanitarian projects for sustainable housing. Kriti views Facing History with Mrs.Harvey, AP US History with Mr.Miskinis, and AP Art History with Ms.Hossfeld, as the most impactful classes she took at LHS because they each gave her context to understand why our world is the way it is today. She was inspired by one of her favorite classes, Facing History, and realized that there are many opportunities to help countries affected by war and genocide. Mrs.Harvey's passion while covering the topics in class inspired Kriti and showed her just how powerful activism is to end wars and genocide. She was an active participant in Art Club, Student Government, National Honor Society, Humanitarian Club, and the Interact Club because all of those activities gave her a chance to do good in the community and fundraise for great causes. Kriti is an inspiration to us all, and we cannot wait to see where life takes her. Congratulations Kriti!

Maddie Feudo

You can be certain that such an ambitious leader and student like Maddie Feudo will make an impact on the future just like she has done in the Littleton Community. Maddie is committed to George Washington University and is majoring in human services, social justice, and is on the impressive pre-law track.

She has quite the zest for learning languages and ancient culture as one of her favorite LHS activities was Latin Club with Ms. Kelley. Her favorite memory was her junior year trip to Europe with Mrs. Harvey which was both a great bonding experience and consolidated the fact that not only does she want to study and travel abroad in college, but that it gave her one of the best experiences in her life.

Maddie believes the beauty of such a small school like LHS is a great way to get one on one advice and opportunities from teachers and guidance counselors and for connecting with fellow students and friends. As for the NHS, she's proud of how great of a community outlet it is and is confident that the officers will continue its great legacy.

As an NHS Officer, her best leadership quality is her ability to read the crowd and know when to be firm or compassionate while always striving to be helpful. Lastly, Maddie wants to help people throughout her life through humanitarian organizations because she knows not everyone has it all in life so she wants to give back in any way she can. Congratulations Maddie, and continue the good work!

Chloe Sturtz

Chloe Sturtz, star athlete and student, will be attending the University of New Hampshire next year, but she'll never forget all the fun times here at LHS. She made unforgettable memories in and out of the classrooms. Some of her favorite memories from high school were created on the sports field. One of her favorite experiences was being a Littleton's Girls' Varsity soccer captain. The memories she had on and off the field with her teammates will hold a special place in her heart. On top of being a three season athlete, Chloe was an excellent student, especially enjoying psychology, and has loved getting involved with the community through the National Honor Society. We know her hardworking and spirited personality will pave a successful path as she leaves for her next adventure.

Written by Paige Hornbeck

Abby Keohane

Abby has thoroughly enjoyed her time at LHS and has spent her four years here participating in a variety of activities. One of her favorite classes she has taken is creative writing, for she is very interested in the subject matter and has loved the opportunity to engage in a variety of writing genres. Another class that she has appreciated taking is AP Art History, for through it she was able to discover her passion for art.

Abby is an amazing athlete and leader and has dedicated much of her time in high school to the indoor and outdoor track teams, being a captain her senior year and helping to lead the team. She excels in various events including the hurdles, javelin, and the relays, which she has been a vital part of. Abby is always cheering on her teammates and making sure everybody does their best, and sets a great example for others by being extremely friendly and encouraging. Being apart of the track team has been one the highlights of her high school career and she has been able to gain many friends and experiences that she will never forget, and everyone can learn from her leadership and enthusiasm for the sport.

Abby will be attending UMass Amherst this fall and plans on studying journalism, and will forever treasure the experiences she has had during her time in high school.

Alexis Stalford

Alexis Stalford is going to Worcester State University and is studying Accelerated Occupational Therapy. At Littleton High School, her favorite classes were AP Biology with Mrs. Harrington and AP Statistics Mrs. Kern. For extracurriculars, she loved participating in soccer, track, and lacrosse, along with the multiple playoff games and getting to run at track meets in Boston. She is super excited to begin college, although she will miss seeing familiar teachers, peers, and all of the friends she made.

Alyssa Marrese

LHS graduating senior Alyssa Marrese will be attending the Rosen College of Hospitality Management at the University of Central Florida next year. She will be majoring in general hospitality and also plans to minor in Spanish. During her time at LHS, Alyssa's favorite activity was playing in the band. She has been playing the clarinet since fourth grade, and has been a part of the band for 8 years. She has also been a part of the jazz band for 3 years. Her favorite high school experience was traveling to Disney World to perform with the LHS band. This experience was greatly rewarding for Alyssa as she has been playing in the band for many years. While at LHS, Alyssa's favorite class was Spanish. She looks forward to putting her acquired knowledge from this class to great use as it will be an extremely beneficial asset in the hospitality industry. For Alyssa, the NHS has helped her to further her development of her leadership skills, as well as her values of community service in her life. She will take all that she learned from being a part of the NHS as she moves on to the next chapter in her life and meets with great success.

Andrew Shimmel

Andrew Shimmel is currently deciding between Ohio State University, Bentley University, Fordham University, Umass Amherst, and Boston University for college in the fall. He plans to major in finance, and is hoping to go into real estate investing after college. His favorite teachers and faculty here were Mrs. Steele and Mr. Lynn, and he admired their passion for teaching. He loved the social aspect that LHS provided, and getting to spend four years with his friends. He was grateful to have been a part of NHS, and for the opportunity that it provides for students to give back to their home community. We are thankful for his contributions to the NHS and he will be missed next year.

Anna Bradshaw

Anna Bradshaw has been a good friend of mine ever since she joined Littleton High School. She's been a great person to have in NHS and school in general. Her favorite part about school was her advisory because she loved her advisor Ms. Perry and being able to hang out with her friends. In fact, one of her most memorable memories from high school was able to hang out with friends, especially after school with Mr.Nardi-Williams - listening to music, doing puzzles, and just having fun in a safe place. Though her high school journey is coming to an end, I know she will continue to grow when she goes off to college at Westfield State University to major in Social Work. She will definitely be missed, but I'm so excited to see where she'll go in life.

Anna Pettersson

When asked to describe her experience with NHS in one word, Anna Pettersson said "eye-opening." Anna is ready to move on to a new eye-opening stage of her life, college. She will likely be attending NYU this year as a business major with a core concentration in marketing. NYU would be lucky to have her because she is a genuinely sweet person, she cares about people's thoughts and opinions and never fails to make someone smile. Anna says she has had a lovely experience at LHS. She looks back fondly on Spanish with Ms. Steele, Anna was thoroughly enamored by Ms. Steele's teaching methods because they sparked creativity by incorporating in all aspects of art. This included creating children's books to read to Shaker Lane students. Anna's most memorable experience at LHS was in her junior year. Her and her friends stayed at the school until 8 p.m. decorating the hallway for spirit week. She says it was a lot of work but the end result was worth it, and I completely agree. Their hallway last year looked INCREDIBLE and you could really tell how much work was put in. Like decorating the hallway, Anna put a lot of hard work into the Ryan's Cases for Smiles NHS committee. She is glad she could be part of NHS because it allowed her to work in a community that values service, and she was able to form close bonds with her committee members. NHS taught her many valuable skills that she will use for the rest of her life, like how to effectively work in a group, be a leader, and stay organized. With these skills and her glowing personality, I know Anna is going to achieve great things in her life and I wish her the absolute best.

Benjamin Field

Ben will be attending Northeastern University where he will be majoring in bioengineering with the possibility of going to medical school one day. Throughout high school, Ben's passion for Biology was clear as he was a key member of biobuilders and took AP Biology - these were his favorite high school activities. AP Biology was the class that opened Ben's eyes to the possibility of pursuing a STEM degree (shoutout to Queen Harrington). Ben's most memorable high school experience was his participation in the Rise Against Hunger packaging day in sophomore year. Ben was thankful to help those in need and continued to help by volunteering at Cor Unum in Lawrence. Ben praises NHS for pushing students to improve themselves while also giving back to the community. I know Ben will do amazing things in life, and I'm so excited for him.

Cecilia Portante

Cecilia Portante will be attending UMass Amherst next year. She will be majoring in psychology. When she is done and graduated from school, she hopes to work with research on behavior. Two teachers she has become close with are Mrs. Kern and Mrs. Barry. Both of these teachers helped her feel comfortable at the high school. They also helped her with learning and becoming a better student. Cecilia's most memorable experience from the high school is the relationships she made with her classmates. Cecilia thought that Littleton High School was a fine school, and she is happy that she had the opportunity to go here and spend her high school experience at Littleton. Cecilia is a great friend to so many. We will miss her here at the high school, but we can not wait to hear all about her success and experiences.

Emily LeDuke

Emily is a kind, considerate person. She is a team player. I have had the privilege to play with her on the soccer field and basketball court. She is a student athlete, and has been on the soccer field, the court, and the track for all four years of her high school career. Beyond her athleticism, she is a strong student in the classroom. Some of her favorite classes were with Ms. Harrington including her honors biology class her freshman year, and her AP Biology, Ap Psychology, and biotechnology classes. Mrs. Steele, a beloved middle school basketball coach but also a Spanish teacher of Emily's, encouraged her to stick with Spanish for all four years of high school. All of her studies in Spanish paid off, and she passed her biliteracy exam. A memorable moment out of the many memories that will stick with her forever, is her trip to Europe with Mrs. Kelley and her good friends.

College is around the corner and Emily is sadly about to leave LHS as a new graduate. Emily would like to major in nursing and then go back to school to become a nurse practitioner. We are always in need of more healthcare workers. Many years of studying, but Emily is determined and driven. She has not decided which college she will be attending in the fall, but any college will be lucky to have her. Emily, I will miss you on the soccer team next year, but I am excited to see where you will go with your hard work and dedication.

Emma Nordhausen

Emma Nordhausen will be attending Assumption University next year. She will be majoring in their nursing program. Her favorite class at LHS was AP Biology with Mrs. Harrington. A teacher who always was there for her throughout her entire high school career was Ms. Perry, our school health teacher. Emma's most memorable experiences in highschool were the sports. I was lucky enough to have played soccer with Emma since middle school and she has always been a great friend and teammate to everyone. Even at the rough practices, Emma would always have so much energy and make everyone smile and laugh. She believes that the sports helped her grow not only as a teammate but also as a student. Emma hopes that she will be able to finish off her senior year in school. Even though the virus brought students further apart physically, she knows it brought them closer as a class and as friends. People looked up to Emma as a positive role model in the classroom and outside, and she will certainly be missed at Littleton High School.

EmmaJean Anjoorian

My good friend EmmaJean Anjoorian is considering a couple colleges for her journey next year, including Saint Anselm College, Stonehill College, and Fairfield University. EmmaJean will pursue political science and criminal justice in hopes of eventually going to law school and becoming a lawyer, a profession I am sure she'll be amazing at. During her time in high school, EmmaJean's favorite activities were cross country, softball, and jazz band, which she'll cherish forever for the things she accomplished and the friends she made. Cross country especially helped her build confidence and a whole second family. EmmaJean will also never forget the band trip to Disney, where she had a blast and got to perform. I know the skills and leadership she learned in NHS will take her far, and her big heart will take her even farther.

Gilles Surprenant

There's no one quite like Gilles Surprenant, he's someone who throws themself into community service and helping people all while remaining humble. I've never met someone who does so much for the community and stays that humble. Gilles was part of the Loaves and Fishes Committee, Healthcare Committee, and helped with the Sleep in Heavenly Peace Committee. Outside of that, he helped with Rise Against Hunger. Rise Against Hunger was Gilles' favorite activity at LHS. He looks at it as "the most meaningful community service opportunity for him." it's a modest thought that he helped feed 20,000 people. He also looks back and is grateful to have had Ms. Harvey as a teacher. He admires her and is inspired by her involvement in the community (and aren't we all ahah). Gilles looks back at his 4 years at LHS and sees so much good, there's not one outstanding memory. He noticed that in his time at LHS changes have been made for the better, and he is excited to see the improvements future students make. Gilles thinks NHS is a wonderful platform for like-minded people to come together and put their ideas into action. He hopes that in the following year's people come in with the same "I want to make a difference" attitude. Overall, he believes that NHS is an amazing experience for anyone to be a part of and wishes more boys would join. During his time with NHS, Gilles got his voice out there and built up his leadership skills. Gilles is going to continue strengthening his leadership skills at Mass Maritime Academy. Gilles is committed to Mass Maritime and is pursuing a major in energy systems engineering. Gilles wants to continue to change the world for the better, and he knows Mass Maritime, like NHS, will give him that platform. In his 4 years at LHS, Gilles has made a positive impact, he's appreciated by all. I know Gilles is going to make this world a better place and I'm excited to see where life takes him.

Hallie Cordingly

Hallie is someone who will do anything to show people how much she cares for our world. She is an inspiration to anyone looking to do better for our planet and be more down to Earth. Hallie is going into Environmental Law at her dream school, Boston University. She is majoring in environmental policy with a minor in international relations. Her favorite class at LHS was facing history because it gave her the platform to interact with important international problems that she values. Their trip to Washington DC allowed her to meet so many great people that empowered her to strive for greatness in her own life. Something she really enjoyed about LHS is flexibility of places to eat lunch. Hallie thinks the NHS is a great way to start addressing problems directly affecting you that you feel strongly about because of how easy it is to create new committees. Due to how important helping the environment and making the world a better place is to Hallie, she created the community clean up committee last year which has made great achievements in our school and town. Hallie will go on to do great things for our planet at Boston University and I can't wait to see how far she goes. Good luck and thank you so all you do for LHS and our Earth!

Hannah Raine

Hannah is proud to be attending UMass Lowell in the fall with a concentration in music education. She hopes to be a music teacher or band director so that she can inspire future generations to explore their interests in music. While at Littleton High School, Hannah's favorite activity was band, which inspired her to pursue music education. She was inspired by Mrs. Bridge, who helped her grow as a musician and a person, and piqued her interest in music education. As a member of NHS, Hannah participated on the community clean up committee, where she cleaned up the Littleton Public Schools, and community spaces like Castle in the Trees in order to keep Littleton a clean place.

Her bright personality and ability to make others smile has touched the lives of many of us at Littleton High School, and she will continue to do the same in the future. Congratulations Hannah!

Hannah Wilkinson

Hannah will be attending Ithaca college in the fall. She hasn't decided on a major yet but is looking into cinema production, theater, and creative writing as possible fields of study. Hannah's favorite activity while at LHS was participating in the theater program. This was important to her because she was able to make connections with her peers through artistic expression. She has found participating in the theater program to be extremely rewarding. Hannah's most memorable high school experience was theater performances and joining the rest of the cast at the 99 after the shows. These experiences were so memorable for her because they gave her an opportunity to spend time and bond with the cast outside the constraints of rehearsal. Hannah enjoyed her time with NHS for the community service experiences she was exposed to. I am lucky enough to be friends with Hannah and I have gotten to spend some time with her over the past 6 years. She is always honest and straight to the point and can always make me laugh. I hope she has an amazing experience in college and continues to grow and thrive.

Holly Gouldrup

Holly has decided to go to Cedarville University in Ohio, and she has committed to playing soccer there. Holly is not completely sure what she will be majoring in, but she has an interest in early childhood education and special education. Her favorite activity at LHS has been being able to play soccer, which has been a huge part of her high school experience. She loved being able to share the love for the game with her teammates and creating a special bond between them. This is something that Holly will miss, but she will be able to create new bonds and memories playing soccer at Cedarville. The National Honor Society has allowed her to help others in her community and gave her the opportunity to make Littleton a better place. She has put in a lot of work and effort towards the NHS, and will be able to bring her skills and attributes to college. Holly is going to do great things in her future and I wish her the best in the next steps of her life.

Jason Frisoli

Graduating senior Jason Frisoli has plans to attend UMass Amherst, Syracuse, or Bently next fall. His future aspirations include majoring in finance. He also has dreams of having a litter of yellow lab puppies later in life. Jason's favorite memories from Littleton High School include going one the Europe trip in the spring of 2019, as well as participating in the NEML every month. As Jason is planning on majoring in finance, he possesses superb math abilities and thrives in displaying his skills in this area. During his time in the NHS, Jason was part of the Community Clean-up Committee. In regard to community service, Jason volunteers at an in-town basketball camp, he also teaches youth guard classes over the summer. Jason played soccer. He was a major contributor to the soccer team's 2019 winning season. He was a member of the LHS basketball team and he ran outdoor track as well. Jason will always be remembered for putting a smile on the faces of his 2020 classmates. Making people laugh is one of Jason's special attributes. With his dedication to anything he does, strong mathematics background, and jovial demeanor he is sure to be successful and happy in his future endeavors.

Jennifer Ng

Jennifer will be attending Simmons University where she will be getting her bachelors in exercise science and then her doctorate in physical therapy through an accelerated program. Jennifer's favorite classes were AP French, ceramics, and advisory. These three classes demonstrate her well roundedness both as a student and a person. Jennifer enjoyed French for the freedom Ms Allison gave then, ceramics for the creative outlet it provides as well as the ability to chat with friends, and advisory because she got to learn more about her peers through stories. Jennifer's favorite high school moments were going to Europe as it was an exciting, new experience and her successes while on the swim and softball teams. I've known Jennifer since we were three and it's always been clear that she's headed for great things. I can't wait to see what the future brings for her and I want to wish her the best of luck.

Joseph Dunn

Joe will be majoring in business administration starting next year at UMass Lowell. During his 4 years at LHS, he enjoyed his time in the theater program, making many lasting friends along the way by participating in and working on shows. Joe's most memorable moment during his high school career was winning Mr. LHS his senior year. He is excited about his time in college and feels ready to tackle whatever faces him thanks to the preparation from his friends and teacher at LHS.

Katelyn Boyer

Katelyn Boyer is an NHS member who has continuously shown her passion for helping others in and out of her community. You may have seen her debut in Littleton High Schools plays and musicals as well as helping out with behind the scenes. She spreads her love of music with her beautiful voice and bright smile. She wants to continue to make a difference in her community, hopefully soon on a political level.

Not only is Katelyn in drama, but she is involved in the United Nations. She has been a leader in this community as she has helped from the start to make the UN community bigger. This passion has led to her career choice of international relations! She is committed to Brigham Young University in Provo, Utah. Becoming the Secretary of State is at the top of her list for career goals. With her experience in the NHS she feels she is ready to take on the next step of her life. All of her in the NHS community wish you the best of luck and hope to see you in the White House soon!

Kaylyn Dressel

Kaylyn Dressel is a hardworking, friendly, smart, ambitious member of the National Honor Society. Kaylyn´s favorite after-school activities include indoor and outdoor track and soccer. She loved going to meets and games with her friends and teammates. Kaylyn is still deciding on where she will be attending college, but she is deciding between University of Rhode Island and Suffolk University in Boston. To help Kaylyn explore her options, she will be going in as an undecided major. Her life goals include being successful and happy which I am sure she will accomplish. Kaylyn´s most memorable high school experience was the closing of school due to the coronavirus. This is most memorable to Kaylyn because it shortened her senior year which made her sad that she could not spend her last memories of senior year with her friends. Overall, Kaylyn had an awesome high school experience at Littleton High School learning and spending quality time with her friends. She is happy that she got to be a part of the National Honor Society during her junior and senior year! You will be missed Kaylyn!

Kevin Murphy

Kevin is planning to attend UMass Lowell next year and is going to major in physics. He is also interested in pursuing robotics throughout college. During his time at LHS, Kevin enjoyed being with his friends and teachers. He remembers a homecoming dance tradition with his friends where they recreated the same photo each year. Kevin's favorite teacher that he had at LHS was Mr. Gillen, as he has a teaching style that allows students to learn in a great way. Kevin is excited to use what he has learned at LHS and the opportunities that it gave him all throughout college!

Kyrha Borja

This fall, Kyrha will be studying Mechanical Engineering and Physics at UMass Amherst. She would like to continue her research and education by getting a PhD in Nuclear Fusion and Plasma Physics, in hopes of helping with the climate change crisis. Furthermore, she hopes to expand her research so that nuclear fusion can be utilized as an alternative energy source for coal and oil in order not to harm our planet any further.

Throughout her high school career, Kyrha found joy through volunteering in various community service opportunities not just in Littleton, but everywhere she went (even outside the country!) Whether it was playing with children in the Dominican Republic, stacking food in the shelves of soup kitchen pantries, painting positive murals around the school, or singing at local nursing homes, Kyrha made sure her heart was ready to serve. Her favorite volunteering activity, however, was being a summer camp counselor, teaching little children ages 3-6 about STEM principles through interactive labs and experiments because she values the representation of women (in this case--girls) in STEM.

To Kyrha, her most memorable high school experience is, actually, the entirety of it. From huge events like the football game at Gillette Stadium, to small, everyday things like receiving a tardy slip while holding a cup of Dunks iced coffee almost every morning. She found the American high school experience a place where a young Filipina immigrant could thrive in. I think it's safe to say that Kyrha is more than ready to go off and spur change in our world, and I wish her all the best.

Mckenzie Clark

Mckenzie Clark is deciding between Villanova and UC Santa Barbara. She is enrolled in the ROTC program at both colleges. After college, Mckenzie will go into the army. She has plans on going to law school and potentially becoming a lawyer for the army. Mckenzie has really enjoyed track and field here at LHS because that is how she made some of her closest friends after moving here her junior year. She loves to run races and highjump. Her favorite memories at LHS are running the 4x800 at outdoor all-states in 2019, or the 4x400 at indoor all-states 2020. Mckenzie has set many school records for track. She has been a really good role model for me. She taught me everything I know about track and she always pushes me and our teammates to do our best. More importantly Mckenzie is a really good friend and I am going to miss her next year. Mckenzie has really enjoyed her time here at LHS and loves being a part of the NHS. She is glad she left Tewksbury.

Falynne Rzezuski

Falynne Rzezuski has decided to go to UNH and major in occupational therapy. She wants to become an occupational therapist and make a difference in people's lives. Some of Falynne's best memories here at LHS were playing basketball. The team is like a family to her and the coaches are the best. She has been playing basketball since she was 10 years old. Basketball season is her favorite time of the year because she gets to do what she loves with her friends. Her favorite teacher at LHS is Mrs.Abate because Falynne has 3 mods with her this year and has really gotten to know and love her as a teacher, she says she is like a 2nd mom. Falynne's most memorable highschool experience is being pulled up to varsity her freshman year for basketball. She got to experience playoffs, team dinners, and bus rides. At first she didn't know the girls on the team that well but they were welcoming and nice. During my first year of field hockey, Falynne taught me the basics, she was basically my mentor. She made my first season so fun and memorable. She is a great leader, teammate, and friend. Falynne loved high school and all the teachers. She has nothing but good memories at LHS. She is going to miss LHS and we will miss her.

Madelyn O'Meara

Madelyn O'Meara graduates this year with many wonderful memories from Littleton High School and NHS. Madelyn participated in theatre and found her best friends there, which is something that will always be memorable to her. The family bond that the cast members and herself shared was something very special to her. Her most memorable moment from high school was traveling to Europe with Ms. Kelley and her friends. The trip to Europe gave her the ability to see new cultures and hear new languages.This fall, Madelyn will most likely be attending NYU to study nutrition and dietetics to one day be a dietitian.

Morgan Lance

After graduating from LHS, Morgan Lance will be attending UMASS Amherst in the fall of 2020. She will be double-majoring in finance and biology/pre-med, in the hope of attending medical school and becoming a cardiovascular surgeon in the future. She enjoyed Ms. Harrington's classes the most due to Ms. Harrington's constant effort to make the classes enjoyable and allowing students to gain valuable knowledge and experience. Her favorite classes were AP biology/biotechnology and AP psychology, since she always found the human body and mind fascinating to learn about, and believes they prepared her well for her future in medicine. Morgan's most memorable high school experiences were the Latin Club Roman Banquets at the end of each year, and is very sorry that there will no longer be one happening this year. Morgan believes that LHS did a great job preparing her for college and her journey to becoming a surgeon. She says that NHS taught her the importance of community service and the joy of helping others.

Abby Meyers

Abby will be attending Brigham Young University this fall and plans on majoring in biodiversity and conservation. She hopes to travel the world and study abroad. Abby's favorite high school memories include traveling and having fun with her friends on the Disney trip with band and Europe trip with her Latin class. She also believes some of the high school memories that made the biggest impact on her were the small moments like walking to class and goofing around with friends in study. Abby is extremely appreciative of the education she has been privileged to receive and the amazing family and friends she has been able to grow up with.

Rachel Klock

Rachel Klock will be attending University of Massachusetts Amherst next year. She will be majoring in communication sciences and disorders in hopes to become a speech pathologist. Her favorite activity in high school was basketball and her favorite class was anatomy. In this class she was given the opportunity to learn about the human body -- specifically the parts that pertain to what she will be studying in college. Her most memorable moment was winning the mighty oak scholarship award in basketball. She is grateful to have been a part of the National Honor Society for her senior year. Littleton High School has provided her with the best high school experience she could have asked for and she is very grateful to all her teachers, coaches, classmates, and family. I was lucky to have played soccer with Rachel for the past three years and I can definitely say she will be missed on the field and in the National Honor Society.

Riana Bucceri

Riana Bucceri will be graduating this year, remembering all of the great experiences in both Littleton High School and the National Honors Society. Riana did well in all of her classes, but her favorite has been AP US History. In her sophomore year at LHS, she loved hosting a foreign exchange student. This gave her the unique opportunity to bond with a student from another country and culture. Through this hospitable act, she was able to see far beyond the borders of Littleton. Out of all her memories at Littleton High, the one she will most cherish is forming friendships in and out of the classroom. She is grateful for the lessons learned through high school and NHS, especially the values of education and service. Riana will be attending Seton Hall University next year. She is interested in majoring in international Relations and diplomacy. It is clear that Riana is well prepared for a bright future.

Rohit Pratapagiri

Rohit Pratapagiri has been a student at Littleton High School for 4 years, and a member of the National Honors Society For both His Junior and Senior Year. He was involved with Loaves and Fishes, the Library, and was a peer tutor in math for 2 years.

During his time at LHS, one teacher that Rohit formed a connection with was Mrs. Rego. Math has always been his favorite subject, and ever since Freshman year Geometry, she was a great help to him overcoming any difficulties he had in class. Mrs. Rego helped him excell in that subject, and he has formed a strong student-teacher connection with her in the past four years.

As a senior, Rohit is moving on from LHS to the next step in his education. He is planning on committing to Babson college, for a Major in Business Management, and Entrepreneurship as a possible minor. Post college, he aspires to be a successful manager of a company, using his skills to lead others to a common goal. He was inspired to this career path by his grandfather, an entrepreneur who successfully built a group of companies. Rohit especially strives to emulate his grandfather in creating jobs and futures for those in need; being a leader and model for his employees to look up to. This is why he has the ambition to attend the #1 Entrepreneurship school in the world: to become a successful businessman and to serve his employees with his leadership skills.

Rohit knows that his involvement in NHS has shaped him into the kind and service oriented person that he is. He is glad for his time with the students there and will miss the experiences and service projects that he took part in. The most memorable moment of his High School career was Junior Prom, and the good time he got to

High School career was Junior Prom, and the good time he got to spend with his friends to celebrate moving on in their lives. Rohit will always remember his time at LHS, but nevertheless, he can't wait for what will come in the next chapter of his life.

Sophie Loree

Sophie Loree is an NHS member who values hard work, commitment, and passion. Not only does she value these things, but she puts forth her best ability to demonstrate these values to her community. She always puts 110% effort into her classes and is specifically passionate about, astronomy, biotech, calculus & biology. Sophies' hard work has led her to make the decision between WPI and UMASS Amherst where she will be studying a major in Biology and a Minor in Astronomy in the fall. Career-wise, NASA is at the top of her list for employment and she strives to be the best person she can be every day.

Sophie is also a well-rounded person who is active in and out of school. She enjoys competing on the Biology Olympiad team, graphic design, spending time with horses and watching MARVEL movies. She does this all while taking classes that will help her to achieve her goals of success. This past fall she was in the LHS production of "Pride and Prejudice" and was amazed by the presenting skills it gave her. LHS and NHS have helped Sophie to have a memorable experience at the tight-knit community that is LHS. In her future, she strives to always be the best she can be and help others in her community. Sophie, I wish you the best of luck in your future. I know there is still much more greatness to come!

Tiana Naylor

Tiana has been such an important and valued member of NHS. This past year she was a head of The Wish Project committee, helping families in need by giving them furniture, clothes, and whatever they might need at times of crisis. Next year, Tiana will be attending UMass Amherst. She will be majoring in engineering but she is still unsure about what type. She is also unsure about what she wants to be in the future, but whatever it is I'm sure it will be great. Her favorite sports include soccer, basketball, AND track. With this busy sports schedule, she still manages to succeed academically. Her favorite class was AP Bio with Mrs. Harrington (one of her favorite teachers) because it was a very interactive and hands-on style of learning. Tiana's most memorable experience was winning powderpuff both junior and senior year. While many others and I are sad to see Tiana leave, there's no doubt in my mind she will do great things.

Tyler Proulx

Post-graduation, Tyler Proulx will be continuing his academic career and his athletic career as a member of the soccer team at Husson University. At Husson, he will be going into the doctorate of physical therapy program along with being a member of their soccer team. While at Littleton high school, his favorite activity was being the captain of the soccer team and guiding them to a District finals appearance. This was so memorable for him and the soccer team because it was the deepest playoff run the team had made during Tyler's time as a member of the soccer team. His most memorable experience was when he scored during a penalty shootout against Maynard in the district semi-finals which helped the team win and make it to the district finals. Tyler is going to miss hanging out with his friends every day. Finally, he is thankful for the opportunities that NHS offered him to help less fortunate people out.

Messages from the Spring Coaches

To Wyatt, Noah, Zack and all the seniors
All of of you were with me since my first day as the varsity baseball coach at Littleton High. I want to thank all of you for all the time and effort you put into the program. It would not have continued to build without you all being a major part of it. I wish you all well as you venture on to the next phase of your life!

Coach DiPietro - Varsity Baseball

Senior Softball Players
Thank you for your efforts over the past three seasons, especially for your greatest achievement in Littleton Softball's undefeated 2019 Mid Wach League title campaign. Treasure that memory and all the great one's still ahead for you all.

Coach John

Class of 2020 Boys Track Team Seniors - You've Got This!
We say that when you compete in running, throwing, or jumping events because we've always believed in you. Your attitude and leadership have brought you a long way and it won't stop once High School is over. It's been amazing watching you grow as individuals and as a team. Take your skills with you so you can work hard, train hard, and have fun along your journey. - Good luck to you all, we will miss you - You've Got This!

Coach Kaldenberg

While it is certainly disappointing that you didn't have a say in the end of your Littleton lacrosse journey, know that you all are heading into an exciting time in your lives. It was a pleasure to work with you all and I know that you all have bright and fantastic futures.

Mark Parkinson, Boys Lacrosse

I am sad that I didn't have the privilege of coaching you for another season, happy to see you move onward to bigger and better things, and mindful of all the conditioning sprints you owe me.....

Michael Blanchard Boys Lacrosse

To both the boys & the girls tennis players, although you may remember this season for not having competed, never forget that the future is what you make of it. Seniors, the world is changing, but Littleton has prepared you to take on any challenge. All of you represent how this world will be shaped going forward. Face those obstacles the same way you would compete against a tough opponent, by never giving up and thinking through the match one shot at a time. Do that and you will always be proud of your efforts and your accomplishments.

Coach Liz & Coach Marcus

Seniors,
It was a pleasure to watch you develop as athletes and leaders during the fall and winter seasons. Like you, I would have liked the last half of your senior experience to have been different. However, because of these unusual times, I'm confident that you have been able to find new strengths that may never have had an opportunity to surface. Add these strengths to your cumulative experience as you strive to make your mark in the world. No matter what life brings, always lead by example, stay healthy and always enjoy running.

Coach Painter

To all the seniors who I've had the honor and the pleasure of coaching the last six years in Girls XC and Indoor and Outdoor T&F; I'm really sorry we can't be together for this last season of your high school athletic career. However, you should be proud of all you've accomplished. As you know, XC and T&F is all about numbers, how many seconds, minutes, yards, feet and inches. Here are a few more numbers: **1283** events competed in by senior girls in XC and T&F. **259** XC and T&F meets. **102** individual XC and T&F seasons senior girls have competed in. **94 – 11** dual meet record. **17** seniors who've been on the XC and T&F teams. **4** state Championships – 3 Indoor T&F, 1 XC.
1 more "Saying" by a coach who's really going to miss you: *Don't look at the trees, look at the spaces between the trees.*
Good luck!
